APPLICATION QUESTIONS

“Do not merely listen to the Word, and so deceive yourselves. Do what it says!” (James 1:22 NIV)

We have made it to the end of the 2024 Spring Season!

Application questions are only created and posted during the small group seasons:

- Spring (End of January - Middle of May)
- Fall (End of August - Middle of December).

During the summer break, application questions will not be created or posted.

If your group is continuing to meet during the summer, we recommend creating your own application questions, looking at [past teachings](#), or using one of the other [studies we offer](#).

If you have any questions, please feel free to reach out!
